

62 DAYS OF SUMMER

ON OUR WAY TO NEW ADVENTURES
JUNE 14-AUGUST 14, 2021

BROUGHT TO YOU BY YOUR

This summer, we are all on our way to new adventures, discoveries, and experiences and the library is here to help you. No matter your destination or pace, the library can guide you on your journey with 62 ways to travel with 62 days-worth of programs, activities and ideas that you can do whenever and wherever you want.

This program is for all ages, babies through adults. We will provide programs, activities and recommendations so everyone can have a great summer with help from your Canton Public Library.

CHOOSE YOUR PATH & GET MOVING

DO

Do something from the 62 Days path—a program, an activity or an idea from one of our 62 Days of Summer blogs. Choose your own way through the path, or follow the stepping stones in order—you decide how to participate.

TRACK

Keep track of what you've done by writing on the poster, using one of the enclosed tracking sheets, keeping a journal or using an app. Go online to www.cantonpl.org/62-days-summer-2021 to claim a virtual pompom for any reading, activities or programs that you do.

SHARE

Get social and tell us what you did and how you did it by sharing on social media, commenting on our blog, or telling staff during library visits. Use the hashtag #howdoyou62.

PICK YOUR PATH AND GET STARTED

Each of the 62 squares have programs, activities or ideas to inspire you. Come up with your own way to complete that square or head over to the library website, www.cantonpl.org/62-days-summer-2021, and look for our suggestions and accompanying resources. Here are a few ideas.

EXPLORE WITH ART

Get crafty with programs and projects designed to put you on a journey to discover your creative side. Try CreativeBug or check out a book on arts and crafts.

TRAVEL THROUGH BOOKS

Start with a READ square and take advantage of the expertise of CPL librarians to help you pick a great book. Our librarians are here for you with reading recommendations for all ages and interests, as well as all the e-books and e-audiobooks you could ever want.

VOYAGE THROUGH THE WORLD OF STEAM

Use science, technology, engineering, arts or math as your inspiration. We've got STEAM programs online, plus plenty of ideas and projects to try at home.

STAY SAFE

Our activities, in-person and virtual programs are designed so you can stay engaged with the library and the community. As with anything you do, prioritize your health and the wellness of those around you. Wash your hands frequently, stay home if you don't feel well and follow all of the current CDC recommendations for personal protection equipment and social distancing. All MDHHS and CDC health and safety guidelines will be observed at library programs.

SUPPORT OUR COMMUNITY PARTNERS AND LOCAL BUSINESSES

We are grateful for partnerships over the years with The Friends of the Canton Public Library, Sweetwaters Coffee + Tea, Skatin' Station, SuperBowl, Zap Zone and Canton Leisure Services. Our local businesses need our support, so take advantage of the special offers in this 62 Days of Summer packet.

Most programs are virtual, meaning they will take place over Zoom. Some programs are in-person, and all MDHHS and CDC health and safety guidelines will be observed.

REGISTRATION: All programs, with the exception of Tuesdays Are Terrific, require registration. See the CPL Program Calendar at www.cantonpl.org/calendar to see when registration opens for each program. You must register with the attendee's library card so please make sure your library cards are current.
